DSATS Project Selection Committee

Friday, 20 February 2015

8:00 A.M.

DeKalb County Highway Department

1826 Barber Greene Rd.

DeKalb, IL 60115

Conference Room # 815-756-6026

Agenda

- **Roll Call, Approval of Agenda**
- **Approval of Minutes**
- **Public Comment**
- **Project Selection Criteria Discussion**
- **Additional Business**
- **Adjourn**

If you have any questions regarding this notice, please contact:

Brian Dickson
Transportation Planner
(815) 748-2367
brian.dickson@cityofdekalb.com

Jessica Hyink
Assistant Transportation Planner
(815) 748-2369
Jessica.hyink@cityofdekalb.com

Assistive and Language services will be provided upon request.

DSATS
STP (Surface Transportation Program) Project Selection

Categories and Scoring

Results of scoring to be used as guidance for the Project Selection Subcommittee

Road Condition: Condition Rating Survey (CRS)

<u>CRS Rating</u>		<u>Points</u>
1.0 – 4.5	Poor	6
4.6 – 6.0	Fair	4
6.1 – 7.5	Good	2
7.6 – 9.0	Excellent	0

Safety: Increase safety, crash frequency, crash severity, comparison to IDOT Average
Demonstrate a correlation between the proposed project and an Improvement in vehicle and/or pedestrian/bicyclist safety.
Examples include reduction of accident rates, accident severity, crosswalk implementation, signalization, and speed reduction.
Up to 6 points

Traffic Volumes: Average Daily Traffic (ADT)

<u>ADT</u>	<u>Points</u>
< 500	0
500 – 999	1
1,000 – 2,499	2
2,500 – 4,999	3
5,000 – 7,499	4
7,500 – 9,999	5
10,000 +	6

Transportation Control: Alternate transportation such as pedestrian, bicycles, transit, waterways
Inclusion of an aspect which exceeds the usual benefit to single occupancy vehicles and promotes the use of other alternative transportation modes.

Example include, but are not limited to, highway projects providing a bicycle or pedestrian facility which forms part of a larger pedestrian or bicycle system, or a highway project improving the accessibility to/from a transit station.

Specific examples may include transit shelters, access to bus stops, pedestrian sidewalks, cross walks, lighting, median refuge, signage, multi-use paths, bicycle racks, lights, and signs.

Up to 6 points

Regional/Community: Roadway functional classification, serves regional employment center, Roadway connecting 2 cities

<u>Criteria</u>	<u>Points</u>
Provides a critical connection between 2 or more core areas such as downtown, NIU, or arterial highways	6
Serves a regionally significant employment center such as air, freight, or intermodal terminals	4
Serves other critical regional public facilities such as hospitals, schools, or parks	2
Benefits economic development/neighborhoods	1

Various Considerations: Benefit special needs of underserved/under-represented
Sponsorship by multiple agencies
Listed in LRTP
Community support, buy-in from public
Sustainability / longevity of improvement
Anticipated economic benefits
Up to 6 points

Small Projects and Alternate Transportation Projects

10% of funding to be used for small projects and alternate transportation projects. Although not required, this 10% may be used for alternate transportation projects in non-ITEP (Illinois Transportation Alternatives Program) years.

Funding example: Total annual allocation for FY2015 is \$673,000. 10% for small projects and alternate transportation projects would be \$67,300.

Possible requirement options for alternate transportation projects:

Request that project is submitted to ITEP first and if not selected, then use DSATS funds.

Selection of project for DSATS funds 3-5 years out and required to submit for ITEP and/or similar funds each opportunity until project is constructed.

Transit Project Selection

Transit projects to be reviewed by the Project Selection Subcommittee if there is no local competition for those dollars or enough transit funds to pay for all the projects. If there is no review needed by the Project Selection Subcommittee, transit projects could be submitted directly to the Technical Advisory Committee.

Revised: 2/11/2015

DSATS STU Eligible Routes Separated by ADT

rev. 11/3/2014

Func Class	Route No	Name	Jurisdiction	ADT (2013)	Total Length (ft)	
Urban Collector	FAU 5347	Gurler	Twp	200	5,308	Less than 500 AD
