ROAD CLOSURE AT W LINCOLN HWY AND 4TH STREET

On Monday, April 10, 2017, the Illinois Department of Transportation is closing the intersection of West Lincoln Highway (Route 38) and 4th Street (IL 23) for railroad track repairs. Union Pacific Railroad expects the repairs to last no more than four days. The City recommends using caution while traveling detours. Expect delays during morning and afternoon rush hours.

The City also would like to remind DeKalb residents all Downtown businesses near the closure will remain open and continue to provide routine services. For more updates visit [facebook.com/TheCityofDeKalb](https://www.facebook.com/TheCityofDeKalb) or follow the City on Twitter @ProudlyDeKalb.
