E. CHAIRMAN UPDATE

Mr. McDavid stated that he would like to continue in his role as Chair for another year, but will be looking to step down to spend more time with his children. He also said that he would like to schedule an upcoming meeting on the scenario-based training by the police for the board. He would also like to do group training during a meeting when there aren't any complaints on the agenda through the NACOLE website. Ms. Neblock wanted to let the board know that she sends out the PowerPoint presentations that were part of the initial board training, along with the NACOLE information, to all new members when they are appointed. Mr. McDavid wanted to point out that Alderman Powell was attending the meetings as the council liaison. Mr. Brown stated that he was willing to be reappointed to the board at the end of the term he is currently serving if he were to be asked.

F. CASE REVIEW

1. 25CPRB04
2. 25CPRB05
3. 25CPRB06
4. 25CPRB07
5. 25CPRB08

Mr. McDavid explained that the board at this point needed to review the packets to decide it

they would review the cases further in closed session or not, and that they have always taken every case that was against an officer in the city up to this point.

Mr. McDavid explained that the main job of the board was to determine if the officer broke policy, but the board can only review cases against officers in the city of DeKalb. Mr. McDavid wanted to bring up 25CPRB04 because he spoke with the complainant before the meeting. The complainant had already spoken to the police department after the complaint was filed and expressed that she didn't know how to make a complaint just to the police department, so she submitted it to the CPRB instead. The complainant expressed to Mr. McDavid that she had already been in contact with supervisors at the police department and was satisfied with how they handled the complaint. At this point, Mr. McDavid said the complainant didn't want her complaint heard by the board and to mark the outcome as did not hear at the complainant's request.

Mr. McDavid explained that the next three complaints (25CPRB05, 25CPRB06, and 25CPRB07) were from the same complainant, regarding the same incident and encounter with the same officers. Ms. Neblock explained the documents in the complaint packet due to it being Ms. Levine's first meeting.

Brief discussion ensued regarding the contents of the complaints.

The board unanimously decided to take the case.

Mr. McDavid then brought to the board's attention that the next case 25CPRB08 was clearly for DeKalb County, Georgia, and that this happens frequently. Mr. McDavid said that he would reach out to the complainant to let them know it was submitted to the wrong state.

G. EXECUTIVE SESSION

Board Chair Maurice McDavid read the following Executive Session exemption title in its entirety:

1. The consideration of performance and/or discipline of employees pursuant to 5 ILCS 120/2(c)(1).
2. The consideration of security procedures, and the use of personnel and equipment to respond to an actual, threatened, or a reasonably potential danger to the safety of employees, staff, the public, or public property pursuant to 5 ILCS 120/(2)(c)(8).

MOTION: Mr. Brown moved to recess for Executive Session; seconded by Ms. Levine.

VOTE: Motion carried by a 3-0-0 roll call vote. Aye: Maurice McDavid, Aimee Levine, and Kelyv Brown. Nay: None. Board Chair Maurice McDavid declared the motion passed and recessed the meeting at 6:21 p.m.
