

FY2009 ADOPTED BUDGET

JULY 1, 2008 - JUNE 30, 2009

Adopted June 23, 2008

FY2009 Elected Officials

Frank Van Buer, Mayor
Alderman Bertrand Simpson, Ward One
Alderman Kris Povlsen, Ward Two
Alderman Victor Wogen, Ward Three
Alderman Donna Gorski, Ward Four
Alderman Ronald Naylor, Ward Five
Alderman David Baker, Ward Six
Alderman Brent Keller, Ward Seven
Donna Johnson, City Clerk

FY2009 Appointed Officials

Mark Biernacki, City Manager
Rudy Espiritu, Assistant City Manager
William Feithen, Police Chief
Lanson Russell, Fire Chief
Russell Farnum, Community Development Director
Joel Maurer, City Engineer
Rick Monas, Public Works Director
Norma Guess, City Attorney
Ted Kozinski, Comptroller/Treasurer

City of DeKalb, Illinois FY2009 Strategic & Operational Goals

2025 Vision Statement

"The City of DeKalb is an urban community with a vital industrial and commercial base placed in a rural setting. Home to Northern Illinois University, it is an integral part of the larger metropolitan area. Its downtown is the heart of the community, playing host to numerous events and providing unique dining, shopping and entertainment alternatives. Its diverse neighborhoods offer a variety of housing options to residents of different economic, ethnic, and lifestyle backgrounds. Its highly educated workforce finds plentiful opportunity for fulfilling work. The community offers a high quality of life with excellent city services, easy mobility around the community, and access to cultural, sports and educational activities. Its residents are proud to call DeKalb home."

FY2009 Strategic Goals

Goal #1: Encourage Actions to Further the Role of the City's Core Areas as the Viable Heart of the Community

- Continue to improve the image of the downtown
 - Administer and maintain the Downtown Plan
- Support ReNew DeKalb and its various programs
 - Provide annual funding
 - Participate in Board and Executive Committee activities
- Encourage residential development
- Demonstrate how downtown buildings can be economically viable
- □ Reduce truck traffic
 - Regularly deploy portable trucks scales
 - Measure truck traffic volume and patterns and react accordingly
- □ <u>Improve the pedestrian environment with the Downtown area</u>
- Maintain adequate parking & work to change perceptions on availability
 - Install parking "Way Finder System"
 - Maintain current parking lots
 - o Maintain information in the Parking Study & adjust time limits as necessary
- □ Target economic development efforts to lure an economically viable mix of unique shopping, restaurant, professional service & other uses to the downtown
 - o Complete Marketing Plan
 - Attend ICSC show & publicize opportunities
 - Encourage outdoor cafes
- Acquire strategic parcels for future redevelopment opportunities
- Improve physical appearance of downtown
 - Adopt property maintenance and design regulations specific to Downtown
 - Continue part-time maintenance crews
 Complete Downtown public improvement projects
 - Maintain beautification improvements
 - Increase Property Maintenance Enforcement
- Invest in public improvements
 - O Maintain downtown financing mechanisms and expand where appropriate
- Promote private investment
- Establish conditions by which downtown businesses may prosper
- Maintain economic development programs, policies, and financial tools, and update where necessary
 - O Continue Architectural Improvement Program
 - o <u>Implement activities associated with the TIF term extension</u>
 - o Administer downtown retail incentives and update where necessary

Goal #2: Coordinate Activities and Pursue Opportunities of Mutual interest Between the City and all of its Public and Private Partners

- Maintain positive intergovernmental and City/University relations
 - Continue to monitor impact fees
 - O Continue cooperation on fiber optics
 - O Continue multi-cultural and school safety committees
 - Work with schools on evacuation plans and monitoring drills
 - Maintain intergovernmental agreements on tax abatements
 - O Maintain school resource officer program
 - O Maintain police monitoring cameras at high school
 - Conduct property maintenance meeting with campus rooming houses
- Prepare a viable plan to redevelop and improve the physical connections between the university and its neighboring areas
 - o <u>Implement Downtown Redevelopment Plan</u>
- Build on the value of the historic districts & the neighborhoods in the Fifth Ward North area
 - O Continue to work with 5th Ward North organization
 - o Implement rooming house conversion pilot program
 - Explore creation of an Arts District
- Establish a more formal partnership group of university and town leaders
- Promote partnerships between the City and the community's business and civic organizations
- □ Expand non-residential tax base
 - Update intergovernmental agreement on tax abatement
- Monitor and update impact fees
 - Ensure residential development does not unduly burden the School District
 - O Continue School District's involvement in plan review process
 - Implement adopted impact fees and update where necessary
- Support the School Board's goals to further its standing in the community
 - Schedule joint School Board/City Council meetings and follow-up
 Partner with School District in the approval of new school site construction

Goal #3: Continue to support projects and programs that improve and enhance the City's appearance, Neighborhoods, and Quality of Life

- □ Improve the image of the City entryway corridors, particularly Route 38 & downtown, East Lincoln Highway, Pleasant & 7th Streets, Pearl Street, South 4th Street, and 1st & Hillcrest
 - o Implement the Downtown Redevelopment Plan
 - Complete entry streetscape features
 - Complete pocket park & neighborhood plans
 - Acquiring key parcels for future redevelopment or beautification projects
- Identify programs funding mechanism for appearance improvements
 - Implement TIF extension measures
- Emphasize overall benefits of the financial resources devoted to improvements

- Coordinate implementation efforts of the East Lincoln Highway plan and the Downtown redevelopment plan
- □ Encourage the addition of more trees and other landscaping features along the corridors and in the downtown
 - Complete engineering and survey work (vaults, utilities, etc.)
 Find locations and planting funds for donated trees
- Promote higher design criteria and raise the bar on the aesthetic and functional standards of development
- Continue to improve, expand, and provide financing for adequate property maintenance enforcement
 - O Continue administrative hearing officer program
 - Create rental inspection and licensing program
 - Regularly prepare reports on property maintenance activities
 - Increase public information and outreach through brochures and neighborhood meetings
- Regularly schedule and finance infrastructure improvements and maintenance programs
 - Annually update 5-Year Capital Improvement Program
 - Continue alley and sidewalk programs
- Build on the value of historic districts and neighborhoods
 - o Focus on the 5th Ward North Historic District
- Expand neighborhood planning and housing rehabilitation program
- Consolidate and distribute neighborhood resource information
- Develop a strategy for organizing within neighborhoods
- Redevelop dilapidated properties
 - Continue brownfield assessments
 - Acquire selected properties
- □ Expand neighborhood planning and housing rehabilitation programs
 - Adopt the "Existing Building Code" to encourage rehabs
 - o <u>Identify</u> and pursue additional funding sources
 - O Institute a rooming house conversion pilot program
 - Complete rezoning and design standards
 - Maintain an appropriate balance between all housing types.
- Maintain safe and affordable housing
 - o <u>Implement a rental housing inspection program</u>
 - o <u>Implement TIF extension programs and activities</u>
 - o <u>Identify affordable housing opportunities</u>
 - Continue existing inspection and licensing programs
- Maintain planning policies and practices and update where necessary
 - Update existing neighborhood plans and review with City Council
- Promote quality and sustainable development
- Coordinate capital improvement planning with comprehensive growth management planning
 - o <u>Dodge/Orr Farm stormwater improvement project</u>
 - Pleasant Street watershed improvements
 - o Bethany Road widening
 - o <u>Fairview Drive bridge reconstruction</u>
 - o Police station construction
 - o Peace Road widening design

- Require high quality housing construction
 - o Implement new design standards
 - o <u>Investigate licensing of general contractors</u>
 - o Complete building code updates as needed
- □ Encourage the use of alternative energy sources
 - o Implement new design standards to pursue energy conservation best practices
 - O Continue geothermal heating and cooling program
 - o Acquire hybrid vehicles

Goal #4: Enhance Work and Job Opportunities and Ensure Diversification of the Community's Tax Base

- Promote and attract development that furthers the diversification of the tax base
 - Update tax abatement programs
 - O Continue cooperation with DCEDC & Kishwaukee Community College on job training
- □ Maintain economic development programs, policies, and financial tools, and update where necessary
 - Update and revise incentives guidelines
- □ Promote the development of new commercial and industrial areas
 - Complete retail attraction strategy
 - Update and revise guidelines for tax abatement program
 - Maintain industrial opportunities inventory
- Encourage small business development
 - O Continue Architectural Improvement Program
 - Market the micro-loan and other small business programs
 - Identify economic development opportunities to lure and retain the "creative class"
- Attract new ventures from existing larger businesses

Goal #5: Enhance and expand the public's mobility and transportation options

- Enhance and expand the public's mobility and transportation options
 - Continue participation with the DeKalb Sycamore Area Transportation Study
- □ Continue to monitor truck traffic
- Provide for grade separation at new RR crossings
- Create an environment that fosters more reliance on mass transit
 - O Continue participation with the DeKalb Sycamore Area Transportation Study
 - Continue participation with VAC and Huskie bus systems
- Promote the construction of additional bike trails and lanes.
- Implement effective access management strategies along corridors
- Promote the continued development and use of DeKalb Taylor Municipal Airport

- o <u>Install glide slope</u>
- Install MALSR lighting system
- o Complete taxiway reconstruction
- Continue efforts to secure Runway Protection Zone
- o Explore creation of an "airpark" condo hangar program
- O Where appropriate, convert public hangars into privately owned space

Goal #6: Enhance and Build on the City's Identity as a Leading Community in the Region.

- Identify and analyze issues that serve as impediments to furthering DeKalb's reputation.
 - Develop programs in response
- Commit the Resources Necessary to Implement a Community Branding Exercise
- Encourage the Citizen's Community Enhancement Commission to identify projects and programs to further this goal.
 - o <u>Publish a community-wide e-newsletter</u>
 - o Design a City logo that promotes the brand identity
 - o Enhance the City's web site to have broader appeal
 - o Integrate the City's vision statement in all promotional materials
 - o Establish a speaker's bureau
 - Establish a neighborhood beautification recognition award
- Develop marketing campaigns aimed at present and prospective residents and business owners that reflect the community's vision
- Establish or identify projects and programs allowing DeKalb to become the community of choice
- □ Strengthen the broad identity of DeKalb as a vibrant, medium-sized community

Goal #7: Increase the Effectiveness of Communications from the City to the Public.

- Produce new public service announcements (water quality, waste disposal sites, code enforcement) and work with NIU/School District on joint programs
- Promote city services through enhanced use of cable outlet and City web site.
 - Webcast City Council meetings
 - o Add Geoweb map capabilities to website
 - Add new downloads such as maps and other information
 - o Improve "Virtual Newcomer" capability
 - Investigate Spanish language capability
 - o Broadcast Plan Commission meetings and other special community events
 - Regularly survey community residents to assess their opinions on quality of life and city services

Goal #8: Regularly Assess and Analyze the Cost Benefit of Core Services and New Initiatives to Project Financial Consequences of Future Actions

- Undertake a strategic financial planning exercise
 - o <u>Identify both short and long range goals and projects for implementation</u>
 - O Retain the services of consultants with expertise in municipal finance to prepare a long range financial plan
 - Modify financial and budget policies regularly
- Regularly assess all revenue sources and expenditure needs and modify where necessary
 - o Review financial and budget policies and modify when necessary
 - O Report on a quarterly basis the status of the municipal budget and identify trends, concerns and issues
 - Re-examine tax rates regularly
 - Modify fee waiver and other similar development incentive polices as appropriate
 - Examine the effectiveness and utility of all of the boards and commissions and make adjustments if necessary
- Regularly assess the financial implications of all decisions and programs
- Communicate the consequences of financial decisions to the public and City employees.

FY2009 Operational Goals

Goal #1 Ensure DeKalb is a High Quality and Safe Community

- □ Continue to maintain DeKalb as a safe community for its citizens
- Continue to promote and provide opportunities for public education and awareness
- Maintain fire safety, fire prevention, and other zoning/housing code programs
- Encourage community policing policies and practices
- Continue the citizen's fire and police academy efforts
- Promote local and regional community relations and out-reach efforts
- Maintain positive intergovernmental and City/University relations
- Promptly respond to the public's call for service
- □ Promote public trust and credibility in all City operations and practices

Goal #2 Ensure a Financially Stable City Government

- Regularly update the 5 year financial and capital improvement plans
- Routinely assess the financial impact of initiatives, programs and incentives
- Adequately cover the costs for services
- Maintain adequate resources and revenues for City services and capital improvements
- Reduce costs without reducing services
- □ Ensure the accurate and prompt collection of revenues
- Continue to explore options for greater efficiencies

Goal #3 Ensure Adequate Staffing and Efficient Service Delivery

- Adequately fund staff training and professional development
- Maintain staffing levels commensurate with population growth
- Efficiently utilize existing staff resources
- Maintain technological abilities and upgrade when necessary
- Adequately address building space needs
- Conduct regular customer service training for all employees
- Adequately finance fleet and equipment replacement and maintenance
- Monitor compensation and benefits issues and adjust accordingly
- Improve methods/techniques for public access to City meetings, information, etc.
- Promote strong and consistent communication between City staff and Council members

FY2009 - FY2013 <u>General Fund Budget Goals</u>

Maintain the General Fund Reserve at 12% of Expenditures

To provide the City with an adequate "Rainy Day" fund to be used in the event of unforeseen circumstances, with the balance available for capital purposes.

Reduce Transfer from TIF Fund from \$500,000 to \$0

To gradually reduce reliance on TIF funds for operational/administrative purposes in advance of the program beginning to be phased out in FY2009 and entirely closed by FY2013.

Reduce Transfer from MFT Fund \$620,000 to \$100,000

To reduce reliance on these dollars to pay for general purpose Public Works activities and to redirect the monies to the City's General Street Maintenance program for resurfacing, overlays, crackfilling, and related type improvements.

Increase the Property/Liability Fund Reserve to \$1 Million To protect the City from large claims.

Eliminate Deficit in Workers Compensation Fund & Begin Establishing Minimum Reserve

To both address the Fund's current state and to protect the City against future claims.

This page intentionally left blank

General Fund Overview

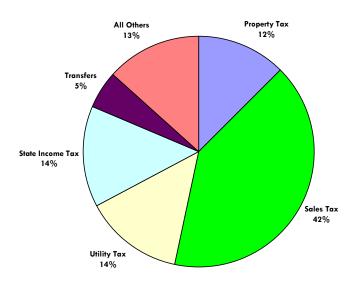

Sources & Uses Revenues

General Fund Overview

Revenues

The City's General Fund is the largest of all its individual budgetary funds and it supports all daily operations. While there are over 50 individual sources of revenue, 82 percent of all funds come from just 4 sources: Property Tax, Sales Tax, Utility Tax, and Income Tax.

FY2009 General Fund Revenues By Source

The General Fund accounts for its revenues in 10 separate categories. For FY2009, \$30,001,151 is expected to be received, an increase of 4.46 percent over the FY2008 budget. The FY2008 General Fund revenues are estimated to come in at \$27,946,110, or 97% of budgeted revenues. This is a shortage of approximately \$775,000.

Source	FY 2008 Budget	FY 2009 Budget	Percent Change
Property Taxes	3,400,000	3,742,937	10.09%
Sales & Use Taxes	11,567,950	12,339,981	6.67%
Gross Receipts	4,470,000	4,418,540	-1.15%
Other Taxes	14,000	14,000	0.00%
Licenses & Permits	630,500	370,918	-41.17%
Intergovernmental Revenues	4,500,000	4,773,231	6.07%
Service Charges	1,660,000	1,598,200	-3.72%
Fines	784,000	699,200	-10.82%
Other Income	390,000	218,595	-43.95%
Transfers In	1,303,921	1,825,550	40.00%
Total Revenues	28,720,371	30,001,151	4.46%

FY2009 Revenue Highlights:

- Property Tax Revenues are expected increase approximately 10 percent not due to any tax increase but due to a stable municipal tax rate of 60 cents per \$100 of equalized assessed valuation. The City has maintained this tax rate since at least 1991. It should be noted that revenues received from the property tax only go toward the City's obligated pension costs. However since 2005, this rate has not funded those costs completely.
- □ Sales Tax Revenues will continue in FY2009 as the primary source of all General Fund revenues, accounting for 42 percent of all monies received. This category includes the sales tax, local use tax, and restaurant & bar tax. The increase in the home rule sales tax, effective July 1, 2008, is estimated to produce an additional \$1,350,000 in FY2009. In spite of this increase, it should also be noted that the City will be paying out approximately \$1,909,500 (DeKalb County \$1,791,300; Sycamore \$40,200; and Kohl's \$78,000) in tax sharing agreements.

The revenues produced from the hotel/motel tax was removed from this fund and put into the Economic Development Fund for FY2009. The Economic Development Fund will account for our funding agreements with the DeKalb Chamber of Commerce, ReNew DeKalb, DCEDC, and the Daley Policy Group.

The City Council still has an adopted budgetary goal established in FY2006 to transfer into the City's General Capital Fund (Fund 32) 2 percent of all home rule sales taxes received and additional 2 percent each succeeding year for 5 years for a total of 10 percent to complete various capital improvements around DeKalb (but outside its existing TIF Districts) and/or assist with vehicle and equipment purchases. Because of the financial condition of the General Fund, this transfer did not take place in FY2007 and FY2008. This policy and the City's other budget policies must be revisited over the next few months.

- □ Gross Receipts include franchise taxes paid by Comcast Corporation and municipal utility taxes. These taxes are decrease by 1.15 percent for FY2009. The City Council also has an adopted budgetary goal to transfer \$150,000 of franchise fee revenues to the Capital Projects Fund for improvements to the City's government access television station. This policy must also be revisited with the condition of the General Fund.
- □ Licenses & Permits covers 12 different types of licenses issued by the City. With the stagnant growth in the housing market, we are estimating a 41 percent decline in revenues.
- □ Intergovernmental Revenues are those monies received from Federal and State sources. State Income Tax Proceeds and the Corporate Personal Property Replacement Tax the 2 largest sources of revenues in this category should generate 6 percent more revenue than budgeted for FY2008 (Illinois Municipal league estimates as of 04/08).

□ **Service Charges** have been reduced 3.72 percent from the FY2008 amount. This decrease is primarily due to the slowdown of development, thus affecting the collection of planning and zoning fees.

Also keep in mind that while fuel sales are also expected to see a significant increase, it is important to note this revenue source is basically a "cash in – cash out" source. The City sells fuel to the DeKalb Park District, Voluntary Action Center and Children's Learning Center for the same amount as it pays for the fuel. Thus, this cannot be considered a true revenue source for the City.

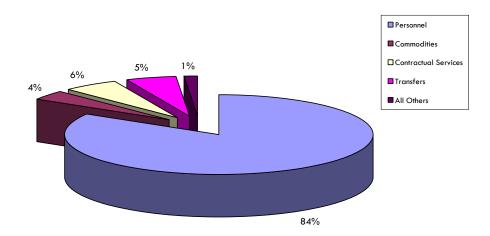

- □ **Fine** revenues continue to bring in approximately \$700,000 per year. Our FY2009 estimation reflects this conservative estimation, based on our revenues over the past three years.
- Other Income is comprised of miscellaneous sources with the primary one being interest income for the City. Considering the General Fund had two deficit years and with investments rates continued to be cut, we anticipate this revenue category being decreased by over \$170,000.
- □ Transfers were increased over the FY2008 budget by 40 percent. This is primarily due to a one time transfer from the Refuse & Recycling Fund of \$131,250 and an administrative transfer from TIF #2 of \$120,309. There was a slight increase in the transfer from the TIF Fund as well. The transfers from the Water and MFT Funds will remain consistent over the next five years.
- □ The General Fund Reserve is expected to be approximately \$3.85 million at the end of FY2009. This is especially significant considering the City had over a half million dollar deficit in both FY2007 and FY2008. This puts the City back at the 12 percent fund balance, which is a long time City policy. However, we anticipate deficits in both FY2012 and FY2013. This issue is to be studied by the Financial Advisory Committee and a recommendation is to be made by June 2009.

Expenditures

General Fund expenditures are budgeted at \$29,005,032 for FY2009, an increase of 1.55 percent. There is an expected positive difference of approximately \$1M between FY2009 revenues and expenditures. This amount helps make up for the \$1M lost in fund balance over the last two fiscal years. Allocations are budgeted in the categories as depicted below:

Category	FY2008 Budget	FY2009 Budget	Actual Inc./Dec.	Percent Inc./Dec.
Personnel Services	23,276,678	24,229,670	952,992	4.09%
Commodities	1,101,885	1,196,869	94,984	8.62%
Contractual Services	1,911,823	1,648,535	(263,288)	-13.77%
Other Services	283,700	321,261	3 7, 561	13.24%
Equipment	55,685	44,985	(10,700)	-19.22%
Transfers	1,932,995	1,563,712	(369,283)	-19.10%
Total	\$ 28,562,766	\$ 29,005,032	\$ 442,266	1.55%

FY2009 Expenditures By Category

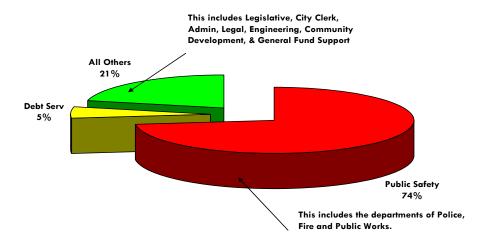

This chart illustrates FY2009 budget allocations by individual department:

Department	Budget	% of Budget
City Clerk	220,022	0.76%
Engineering	444,329	1.53%
Legal	462,103	1.59%
Legislative	534,668	1.84%
Com Dev	1,386,722	4.78%
General Fund Support	2,097,259	7.23%
Admin Services	2,633,968	9.08%
Public Works	3,350,683	11.55%
Fire	8,943,126	30.83%
Police	8,932,152	30.80%
Total	29,005,032	100.00%

The City is a "service industry" with the primary services it sells being police, fire and public works services. In governmental accounting, these three areas are combined and reported in the annual financial audit as "Public Safety Costs." The next chart demonstrates how much of the City's workforce and financial resources are dedicated to these 3 areas:

FY2009
Public Safety Expenditures
As a Percent of Overall Budget

These charts reflect fairly typical ratios of expenditures for municipalities like DeKalb: the lion's share of funds available pay for personnel and the lion's share of those personnel are employed as "public safety employees."

Other Expenditure Highlights:

- Due to the growing deficit in the General Fund, no increases in staff have been included. Instead, due to retirements and permanent attrition, the total budget shows a decrease of 11 personnel is reflected since last year.
- □ Non-personnel costs will decrease 9.66 percent over FY2008, or a savings of \$511,000. This was a continued effort by city staff to cut costs and to incorporate revenue and cost saving ideas from the Employee Involvement Process. These ideas include:
 - Restructuring the work force
 - Introducing airport use fees (ramp fees)
 - Creating a policy for fee waivers
 - Installing IP telephony
 - Eliminate private sidewalk snow removal
 - Reducing the number of printers (use copiers instead)
 - Eliminate coffee fund
- The rapidly escalating price of gasoline and diesel fuel will have a significant but as yet incalculable impact on operations. This is an area that will be closely monitored and controlled to the greatest degree possible, but it needs to be recognized that rising prices will have impacts on <u>all</u> areas of expenditures and departments may be forced to reduce or eliminate non-essential functions to address this issue.

General Fund Revenues

			FY 2007 Actual	FY 2008 Budget	FY 2008 Estimate

Legislative Department

The Legislative Department encompasses all of the activities of the DeKalb City Council, the governing and policy-making board of the community. The Council is elected for staggered four-year terms and is comprised of the Mayor, who is elected at large, and seven aldermen, elected by wards. The City Council conducts regular meetings and workshop meetings on the second and fourth Mondays of each month.

The Legislative Department includes the City's annual Human Services Funding program, which provides over \$200,000 each year to local social service providers and is a companion to the \$60,000 of public services funding provided through the City's CDBG (Fund 72) program. Additionally, the Department provides the annual funding for the City's" Senior Citizens Utility Assistance Program" for low income senior and disabled homeowners. \$16,000 in General Fund revenues has been allocated for this particular purpose in FY2009.

The Legislative Department also includes the DeKalb Municipal Band. The Band started in 1854 as the "DeKalb Silver Cornet Band" and it has existed continuously since that date — the longest continuous service in the State of Illinois. This year it will celebrate its 153rd year, performing twelve weekly concerts in Hopkins Park on Tuesday evenings through the summer months.

Office of the City Clerk

The City Clerk is elected at large for a term of four years and has authority to appoint Deputy City Clerks. The Clerk's office is responsible for preparing, maintaining and retaining many of the City records, which include City Council minutes, ordinances, resolutions, agreements, contracts, leases, bonds, deeds, easements, permits (which are not construction-related), and petitions, as well as administering the oaths of appointed and elected officers. The City Clerk's office also assists with agenda preparation and distribution for City Council meetings, and maintains the DeKalb Municipal Code.

The Clerk's office processes applications for tobacco, amusement, auctioneer, bowling alley, theater, vendors, itinerant merchants, charitable solicitors, raffles, taxi and towing licenses.

The Clerk and Deputy Clerks are registrars for the County Clerk, taking voter registrations and accepting petitions from candidates for city elections. In addition, the Clerk records various documents with the County Recorder, including annexations, annexation agreements, easements, and plat vacations, and files the budget document and tax levy ordinance with the County Clerk.

Administrative Services Department

The Administrative Services Department is responsible for the implementation of all City Council policies and directives, plus oversees the operations of all other municipal departments. It is comprised of five divisions:

- 1. <u>Administration (City Manager)</u> which provides overall management of City operations and activities, including the implementation of City Council policies and directives, and has substantial involvement in numerous other activities including intergovernmental relations, emergency services disaster planning, community relations, economic development, personnel, and risk management functions. It is also responsible for the preparing the City's annual budget, property tax levy, capital improvements budgeting, and the development of long-term borrowing strategies for the City.
- 2. <u>Human Resources</u> administers employee training activities; personnel policy and procedure development; employee recruitment, hiring and orientation; maintenance of personnel files and records; position and job descriptions; employee and retiree benefits management; collective bargaining contracts; workers compensation claims, and provides direct staff support to the Board of Fire and Police Commissioners.
- 3. <u>Information & Technology</u> is responsible for the maintenance and administration of all City information and communication systems including its GIS systems, VMS traffic monitoring, the internal "Intranet" system, wireless communication (pagers, cell phones & wireless networks), the City's Web Page and its government access television station ("Channel 14"), employee personal computer support and training, plus the different individual networks within the City, including the Hansen Information System, E-mail, Police/Fire CAD/E911 System, IMS Information Storage, Permitting, Financial Accounting, Mapping, Network printing, and central data storage for all departments.
- 4. <u>Economic Development</u> undertakes coordinated marketing and development related services, interacting with all other municipal departments and outside agencies as required. Additionally staff takes on other special projects and initiatives as may be from time to time assigned. Staff serves as liaisons to the City's Economic Development Committee and Environmental Commission.
- 5. Financial Services assists the citizens of DeKalb and the other departments of the City government by administering a comprehensive and uniform financial management system that conforms to nationally recognized standards. As part of this system, it completes all financial accounting, audit, payroll, treasury management, debt service payments, grant accounting, fiscal regulatory compliance, collections, utility billing, ambulance billing administration, accounts payable and receivable functions, switchboard, cash receipting, parking ticket administration, and numerous special projects. Additionally, it provides staff support to the Police and Fire Pension Boards.

FY2008 Departmental Accomplishments

The Administrative Services Department was able to initiate and/or complete the following action items during FY2008:

- Received unanimous support from other taxing bodies and had legislation signed into law that extended our Central Area TIF
- Joined the Intergovernmental Personnel Benefits Cooperative for our health, dental, pharmacy, and life insurance programs. This has resulted in a fixed monthly payment to the IPBC, rather than continuing to maintain and fully fund our own self-funded, third party administered Plan.
- Completed substantial broadcasting improvements and upgrades to the City's government access television station. Added broadcasts of plan commission meetings and also the ability to re-broadcast all recorded meetings and special events.
- □ Web Site improvements and enhancements including webcasts of committee of the whole and city council meetings. Also added Illinois e-pay and auto debit for water/sewer/refuse billing.
- □ Initiated the preparation of a redevelopment plan for the Pearl Street neighborhood.
- Members of the Finance and I&T staff worked together with staff from the Police and Legal Departments to find a new parking software and processing.
- Participated in collective bargaining negotiations with the IAFF and AFSCME
- □ Achieved the Government Finance Officers Association Award for "Excellence in Financial Reporting" for the 12th consecutive year.

FY2009 Departmental Initiatives

The Administrative Services Department will undertake the following action items for the upcoming fiscal year as identified by the City Council's adopted Strategic Goals:

Strategic Goal #1: Encourage Actions to Continue Downtown's Role as the Viable Heart of the Community

- □ Administer and maintain the Downtown Plan
- Complete Marketing Plan
- □ Attend ICSC show & publicize opportunities
- Complete Downtown public improvement projects
- Maintain downtown financing mechanisms and expand where appropriate
- □ Implement activities associated with the TIF term extension

Strategic Goal #2: Coordinate Activities and Pursue Opportunities of Mutual Interest between the City and all of its Public and Private Partners

- □ Continue cooperation on fiber optics
- Maintain intergovernmental agreements on tax abatements
- □ Implement Downtown Redevelopment Plan
- Explore creation of an Arts District
- □ Schedule joint School Board/City Council meetings and follow-up
- Partner with School District in the approval of new school site construction

		gic Goal #3: Continue to Support Projects and Programs that Improve and enhance y's Appearance, Neighborhoods, and Quality of Life
		Implement the Downtown Redevelopment Plan
		Acquiring key parcels for future redevelopment or beautification projects
		Annually update the 5-Year Capital Improvement Program
	_	gic Goal #4: Enhance Work and Job Opportunities and Ensure Diversification of the unity's Tax Base
		Update tax abatement programs
	_	Continue cooperation with DCEDC & Kishwaukee Community College on job training
	_	Update and revise incentives guidelines
	_	Complete retail attraction strategy
	_	Update and revise guidelines for tax abatement program
		Maintain industrial opportunities inventory
		Market the micro-loan and other small business programs
		Identify economic development opportunities to lure and retain the "creative class"
Stro	ateç	gic Goal #5: Enhance and expand the public's mobility and transportation options
		gic Goal #6: Enhance and Build on the City's Identity as a Leading Community in gion
IIIC		
		Design a City logo that promotes the brand identity
		Enhance the City's web site to have broader appeal
		Integrate the City's vision statement in all promotional materials
		Establish a speaker's bureau
		Establish a neighborhood beautification recognition award
Stra	atec	gic Goal #7: Increase the Effectiveness of Communications from the City to the
	blic	ic dour // / mercuse me interiveness of dominomeanons from me dry to me
		Webcast City Council meetings
	_	Add Geoweb map capabilities to website
	_	Add new downloads such as maps and other information
	_	Improve "Virtual Newcomer" capability
	_	Investigate Spanish language capability

□ Broadcast Plan Commission meetings and other special community events

Strategic Goal #8:	Regularly Assess and	Analyze the Cost	Benefit of Cor	e Services and
New Initiatives to F	Project Financial Conse	quences of Future	Actions	

- Identify both short and long range goals and projects for implementation
 Retain the services of consultants with expertise in municipal finance to prepare a long range financial plan
 Modify financial and budget policies regularly
 Review financial and budget policies and modify when necessary
- Report on a quarterly basis the status of the municipal budget and identify trends, concerns and issues
- □ Re-examine tax rates regularly
- □ Modify fee waiver and other similar development incentive polices as appropriate
- □ Examine the effectiveness and utility of all of the boards and commissions and make adjustments if necessary

Additional Operational Initiatives

- Completion of financing and specifications for the construction of a Police Station
- Develop and implement a standardized performance measurement system designed to track the quality and quantity of various municipal services extended to area residents
- □ Finalize intergovernmental agreements on impact fees and contributions, property tax abatement incentives, fire services, and related type matters with the other local taxing districts
- □ Improve connectivity to remote city owned facilities including fire station 2, fire station 3 and the airport.
- Extend mobile data browsers to fire ambulances and command vehicles
- □ Achieve the GFOA Award for Excellence in Financial Reporting for a 13th consecutive year

Legal Services Department

The Legal Department counsels all municipal departments, employees and various boards and commissions. It prosecutes all traffic, ordinance, misdemeanor and code violations in Court and in the Administrative Hearing process, as well as provides staff support to the Human Relations Commission and the Liquor Commission. In addition, the Legal Department assists with collective bargaining and labor contract administration and actively engages in risk prevention activities. The office represents the City in all litigation matters, including state, federal and appellate cases as well as workers' compensation claims. Finally, the attorneys represent the City before the Board of Fire & Police Commissioners and the DeKalb Liquor Commissioner.

FY 2008 Departmental Accomplishments

- The Juvenile Intervention Program dealt with 57minors on charges ranging from curfew to retail theft — the majority dealt with alcohol and tobacco use. These children performed 1,275 hours of community service work for the elderly and not-for-profit agencies.
- 7 new liquor charges were filed, and were pending and unresolved as of the date of printing.
- Administrative Hearings, implemented in the latter part of FY 2007, prosecuted 73 code enforcement and 74 parking offenses, resulting in fines and costs collected of \$11,039 for code enforcement and \$10,585 for parking offenses.
- □ Various chapters of the Municipal Code were reviewed and revised Ch. 1 General Provisions; Ch. 9 Establishment of Fees; Ch. 12 for Nuisances; Ch. 13 Housing and Property Maintenance Regulations; Ch. 16 Fire-Life Safety; Ch. 18 Dogs and Other Animals; Ch. 19 Water Pollution Control; Ch. 24 Building Code; Ch. 25 Electrical Regulations; Ch. 26 Plumbing Regulations; Ch. 28 Fire Prevention Regulations; Ch. 29 Mechanical Regulations; Ch. 38 Intoxicating Liquor; Ch. 43 DeKalb Litter Control Ordinance; Ch. 52 Offenses; and Ch. 54 Financial Administration.

□ The City's Accident Investigation Policy assisted in the collection and distribution of funds owed to or by the City for liability accidents. Funds collected, which were owed to the City, totaled \$15,778.27.

FY 2009 Departmental Initiatives

- Coordinate eminent domain and/or purchase of property for City purposes, including the Airport.
- □ Finalize the update of the City's compliance with current Health Insurance Portability and Accessibility Act (HIPAA) requirements.
- Revise and update current City policies dealing with personal use of office equipment, network computer software, and use of internet.
- □ Negotiate and draft development agreements for redevelopment of downtown revitalization properties.
- □ Review and revision of quasi-criminal and traffic chapters of the Municipal Code.
- □ Review and implementation of tasks assigned in order to implement the City Council's strategic goals.
- □ Coordinate liquor license administrative tasks and recordkeeping.
- □ Professional training or certification for staff and mandatory continuing legal education for attorneys.

The Police Department's mission is to serve and protect all citizens of DeKalb; to preserve life and property; to enforce the laws and ordinances; and to protect the rights of all citizens to live in peace through effective personnel management and utilization of scientific police methods. It is comprised of four divisions:

- 1. <u>Administration</u> provides overall management of police services, policy formulation and implementation, plus financial management and budget administration for the Department.
- Patrol encompasses all basic police services, including community policing, accident investigation, crime suppression, traffic and parking enforcement, oversight of the area school crossing guard program and coordination of the Police Volunteer Program.
- 3. Communications which is responsible for answering 9-1-1 emergency, non-emergency, and informational/inquiry calls on a 24-hour basis. It provides direct 24-hour radio communications support to the City's Police and Fire Departments, plus monitors the Community Development and Public Works Department radio frequencies. It is responsible for the activation of the weather sirens and serves as a backup to the DeKalb County MABAS system (Mutual Aid Box Alarm System) for fire and medical emergencies requiring mutual aid assistance.
- 4. <u>Investigations</u> oversee investigations of all major criminal activity and deaths in the community, including those involving juveniles. It conducts background investigations on City license and employment applicants. It sponsors crime prevention programs for all segments of the community, including Drug Awareness & Resistance Education ("D.A.R.E."). It supports the North Central Narcotics Task Force (NCNTF) by assigning one officer to that unit, and it provides one school liaison officer.

FY2008 Departmental Accomplishments

 Upgraded Departmental computer systems to latest versions including CRIMES (record management system), CAD (computer aided dispatch), and the mobile data computers. Reduced traffic accidents at "high accident intersection" through directed patrols. □ Presented D.A.R.E. to 375 local grade school children. □ Hosted 4th Citizens Police Academy. Continued participation on the DeKalb School District #428 multi-cultural committee and the school safety committee. Started computerized gang intelligence file. Participated in Prairie Shield partnership and Police and Fire were awarded \$402,681 for radio system improvement. Added school resource officer in DeKalb Middle Schools in partnership with DeKalb School District. Invited NIU, Sycamore, and DeKalb County Sheriff's Department to participate in annual Rapid Response training at Huntley Jr. High. Provided additional patrols to NIU during two major incidents – Threats made in December and shooting in February. Provided significant investigative resources to the February 14th, 2008 NIU shooting incident. Obtained federal traffic safety enforcement grant in the amount of \$136,326. Partnership made with University Villages for a resident officer to reside in complex. Purchased last parcel at new police department site. ☐ Installed two additional in-car video systems in police vehicles. Obtained state tobacco compliance check grant through the Illinois Liquor Commission for \$4730 Purchased two squad cars with federal traffic enforcement grant and DUI funds. Started teaching "G.R.E.A.T." (Gang Resistance Education and Training) program in middle schools. Initiated gang intelligence database. One detective received advance training in Forensic Sketch Drawing through the FBI. Tuition paid by FBI. Implemented monthly information sharing meetings with Juvenile Division, DeKalb County Juvenile Probation and a representative from DeKalb High School.

FY2009 Departmental Initiatives

The Police Department will undertake the following specific action items for the upcoming fiscal year as identified by the City Council's adopted Strategic Goals:

Strategic Goal #1: Encourage Actions to Continue Downtown's Role as the Viable Heart of the Community

- Continue working closely with the DeKalb Chamber of Commerce, Renew DeKalb and the Egyptian Theater to promote a safe downtown environment.
- o Increase deployment of portable truck scales in downtown area.

Strategic Goal #2: Coordinate Activities and Pursue Opportunities of Mutual Interest between the City and its Educational Partners of NIU and the DeKalb School District

- □ Continue participation in multi-cultural and school safety committees
- Maintain school resource officer program in high school and middle schools
- ☐ Host second Teen Police Academy in DeKalb High School
- □ Continue teaching G.R.E.A.T. in middle schools.

Strategic Goal #6: Enhance the Quality of Life in DeKalb's Established Neighborhoods

- Continue to maintain police foot patrol and expand bike patrols in residential areas.
- Partner again with Target Corporation and the DeKalb Neighborhood Committee to promote National Night Out a crime prevention event in support of safe neighborhoods.
- Participate in crime free housing program with Community Development.
- □ Reduce Crime
- □ Reduce Accidents

Strategic Goal #7: Continue to Improve & Build on the City's Reputation as a Leading Community in the Region

- Continue training dedicated to the National Incident Management System and Homeland Security initiatives.
- Obtain additional grant monies from Illinois Liquor Commission to continue tobacco compliance checks at businesses selling tobacco product.

Additional Operational Goals

Implement in-car	"tield re	porting"	program
------------------------------------	-----------	----------	---------

- □ Continue Citizens Police Academy.
- Purchase additional automated external defibrillators for police cars.
- □ Install five (5) street security cameras.
- Develop policy on tasers, purchase tasers, and train officers in proper deployment of tasers; as a result, use of tasers should reduce injuries to officers and decrease the number of workman's comp claims
- Purchase additional patrol rifles.
- Conduct contract negotiations with FOP.

- ☐ Hire architect to update space needs analysis and participate in new police facility citizens' committee.
- Obtain second year of grant funding from the Illinois Department of Transportation. Continue accident reduction efforts on portions of Annie Glidden Rd., West Lincoln Hwy. and Sycamore Rd.
- □ Continue Prairie Shield partnership to improve radio system interoperability.
- Research and implement a formalized procedure for sharing gang intelligence with other departments.
- □ Increase gang awareness presentations and continue to expand gang intelligence file.

Fire Department

The mission of the DeKalb Fire Department is to provide professional, courteous, specialized services to meet the needs of the citizens of the City of DeKalb. These services include rescue from fires, accidents, or other hazardous environments; suppression of hostile fires; emergency medical treatment for injuries or sudden medical problems; and providing information or programs concerning fire safety. It is comprised of just two divisions:

- 1. <u>Administration</u> is responsible for the overall management of departmental operations including planning, budget preparation and administration, policy formation and implementation, and emergency service delivery practices.
- 2. <u>Operations</u> encompasses fire suppression, emergency medical services, fire prevention and investigation, the City's Hazardous Materials and Technical Rescue Teams, plus building and grounds maintenance.

FY2008 Departmental Accomplishments

- Received and placed into service a new engine at Fire Station 3.
- □ Purchased a new medium duty ambulance for Station 2.
- Continued training of all paramedics upgraded to Illinois Department of Public Health standards.
- Coordinated efforts to achieve federal disaster status and receive Public Assistance from FEMA during August floods.
- Coordinated the application of all fire departments who responded to NIU shooting incident to receive reimbursement from IEMA.
- Continued to inspect all rooming houses, restaurants, gas stations, and places of assembly.
- □ Continued to provide training for Resident Assistants at NIU.
- Maintained status as a Level "A" Team under the MABAS Statewide Mutual Aid Plan.
- □ Enhanced the level of training of many team members using resources available through state and federal funds to reduce local costs

FY2009 Departmental Initiatives

- Continue to pursue partnerships within the community and region to enhance the service level to our citizens.
- Continue to seek support and networking regionally to maintain state Hazardous Materials and Technical Rescue teams.
- □ Continue Citywide NIMS implementation.
- Seek funding for replacement of all SCBA through a grant from the Department of Homeland Security/U.S. Fire Administration.
- Continue to provide training for Resident Assistants at NIU.
- Train and certify some members for Aircraft Rescue Fire Fighting
- Develop network in region to support MABAS statewide team.
- Develop ordinance for reimbursement support.

Public Works Department

The Public Works Department is responsible for maintaining and enhancing the physical environment and infrastructure of the City of DeKalb through oversight of all municipally owned facilities and utilities, through the following five areas:

- Administration oversees the daily management and operations of the entire department.
- □ <u>Airport</u> is charged with the management of DeKalb Taylor Municipal Airport (DTMA). With over 40,000 annual operations, 62 based aircraft and two runways that are respectively 7,025 feet and 4,200 feet in length, the airport is designed to serve all corporate and general aviation aircraft coming to the region.
- □ <u>Water Resources</u> provides for the supply, treatment, storage, and distribution of the City's potable water system, which provides in excess of 1.5 billion gallons of water annually to DeKalb residents.
- Street Operations maintains the City's streets, alleys, sidewalks and parkways, and all municipally owned facilities. It is responsible for snow and ice removal, traffic signal maintenance, street markings, signs, storm sewer repair, equipment and motor vehicle maintenance, airport and runway maintenance, forestry, management of the City's community garden plots, and provides support services for community events,
- Public Facilities is responsible for the upkeep and maintenance of the City's Municipal Building and Annex.

Proposed Staffing Changes

There are staffing changes proposed in FY2009. One full time secretary, one full time custodian, one part time custodian and one part time water maintenance position have been eliminated for FY09 which is the equivalent of 3.0 Full Time Employees. The wages for a total of three Full Time Equivalent Employees will be transferred from the Street Operations Division to the Water Resources Division. The transfer will occur as a result of one full time maintenance employee being permanently transferred from the Street Operations Division to the Water Resources Division to replace one full time Crew Leader position. The wages for four, Full Time Equivalent positions from Street Operations will be re-assigned to the Water Resources Division.

FY2008 Departmental Accomplishments

Strategic Goal #1: Encourage Actions to Continue Downtown's Role as the Viable Heart of the Community

- Maintained Parking Lots
- Continued utilization of part-time maintenance crews
- Maintained Hanging Flower Pots
- □ Served as staff representatives to promote and implement the Downtown Revitalization Plan public rights-of-way improvements

Strategic Goal #2: Coordinate Activities and Pursue Opportunities of Mutual Interest between the City and its Educational Partners of NIU and the DeKalb School District

- Executed an antenna agreement with District 428 to enhance communications and improve security measures at DeKalb High School
- Participated District 428 and the DeKalb Park District in the planting of three trees at Lincoln Elementary School as part of an Arbor Day celebration
- Coordinated efforts with the DeKalb Park District and local veterans groups to create the new flag display at DeKalb Square Park for all military recognized holidays.

Strategic Goal #3: Continue to Support Projects and Programs that Improve the City's Appearance

- ☐ The City's ad-hoc Tree Committee continued efforts to find locations and funding resources for planting donated trees
- Continued public education efforts on landscape waste disposal practices
- Pursued tree planting initiatives with the Tree Committee

Strategic Goal #4: Ensure that there are Fulfilling Work and Job Opportunities for all of DeKalb's Residents

Strategic Goal #5: Develop a Transportation System to Enhance Mobility for People & Products

□ Completed construction and execution of the ground lease agreement for a 6-unit aircraft hangar condo

- Secured the purchase of all materials to install the Glide Slope and MALSR lighting system and pursue FAA takeover of the nav-aid system
- Completed taxiway reconstruction
- Continued efforts to secure the north end runway protection zone

Strategic Goal #6: Enhance the Quality of Life in DeKalb's Established Neighborhoods

Strategic Goal #7: Continue to Improve & Build on the City's Reputation as a Leading Community in the Region

<u>Additional Operational Initiatives</u>

- Continue to seek Union Pacific Railroad and Surface Transportation Board approvals to mitigate the Pleasant Street watershed flooding issue. Continuous efforts to implement protection measures to ensure the security of the potable water system supply. Merged contractual tree trimming initiatives with City Forestry crew efforts to keep response time to citizen requests at an acceptable level. Work with Renew DeKalb and City staff to enhance and revitalize the Central Business District. □ Attracted (2) new businesses to DeKalb Taylor Municipal Airport. Completed the materials purchase for the Glide Slope/MALSR lighting system. Received tenth consecutive Tree City USA Community Award from the Illinois Department of Natural Resources. Successfully provided emergency response measures in battling the August 24th flood event. Successfully conducted snow removal operations in battling a record number of precipitation events and snowfall accumulations. In partnership with the Engineering Department, successfully negotiated with IDOT District III officials to advance the schedule for resurfacing of IL38 from Fourth Street to Loves Rd in FY09. In partnership with the Engineering Department, successfully negotiated securing funding in the amount of \$100,000 for pothole patching on State Routes. Continued aggressive meter change-out program with the goal to achieve 100% radio read devices. Discovered a billing error and recovered roughly \$25,000 as a result of a correction to Waste Managements billing for city facilities. □ Achieved compliance with OCCT (Optimal Corrosion Control Treatment) at all five Water Treatment Plants with no excursions.
- Passed Lead/Copper testing conducted in July 2007.

reflect the true cost of providing water.

 Completed West Lincoln Hwy water main replacement project and service reconnections with minimal disruptions.

Achieved full compliance with all Federal and State EPA water standards. Adjusted water rates and capital connection fees to achieve rates that better

Enhanced and promoted image of City of DeKalb Water Supply.

Monitor new electrical rates and pumping schedules to decrease electrical costs.

Received twelfth consecutive year of compliance with the Illinois Fluoridation Act.

Began large meter testing of City's highest water users to insure meters are accurate and water consumption is being billed properly.

FY2009 Departmental Initiatives

The Public Works Department will undertake the following specific action items for the upcoming fiscal year as identified by the City Council's adopted Strategic Goals:

- Achieve an 11th consecutive Tree City USA award from the Illinois Department of Natural Resources.
- □ Provide financial stability of Water Resources Division through various rate and service fee adjustments to meet true cost of providing services.
- Maintain the high standard of water quality for the City by achieving compliance with all State and Federal water quality standards.
- □ Maintain unaccounted water loss at or below 8%.
- Provide for a smooth transition of reorganization and combining of stormwater/water utility crews.
- □ Secure low electrical rates for Water Division as current contract is set to expire during FY09 Fiscal Year.
- □ Implement aggressive review of all Public Works Operations and identify cost cutting measures, improve efficiency and productivity levels.
- Participate in a joint exercise with the DeKalb Sanitary District to investigate and identify any illicit connections to the sanitary and/or storm sewer systems within the boundaries of the Central Business District.
- □ Serve in whatever role deemed appropriate to pursue the construction of a new Police Department.
- Continue to market DTMA and promote desired developments on airport property.

The Community Development Department seeks to enhance the overall quality of life of DeKalb by fairly enforcing development and code regulations and by preparing plans and undertaking activities that aid in revitalizing existing neighborhoods. The Department's primary goal is to foster high quality public and private investment that is sustainable, environmentally sensitive and balanced.

The Department's four divisions allow all aspects of a development to be managed in a coordinated manner through land use and infrastructure design, to actual site construction. These are:

- Administration oversees the operational and budgetary management of the entire department. It serves as staff liaison to the City Council, various ad hoc committees as well as to other governmental agencies, NIU, DeKalb-Sycamore Area Transportation Study, and the DeKalb County Regional Planning Commission.
- 2. Planning & Development administers the City's daily planning, zoning and land use functions. It prepares policies to help guide the long-range development of the City and conducts analysis of the impact that new development has on the City. The division administers programs relating to housing, grants administration and prepares reports and maps that provide basic information about the community to the public. The division staffs the following boards and commissions: the Plan Commission, Design Review Committee, Zoning Board of Appeals, Landmarks Commission, and several neighborhood constituency groups.
- 3. <u>Building & Code Enforcement</u> reviews plans for new construction, manages the property maintenance program, assists in fire safety inspections, and conducts various types of inspections associated with new construction. A key aspect of this Division is enforcing existing building and property regulations so as to protect and enhance the community's overall appearance. The division serves as liaison to the electrical, mechanical, plumbing and building boards of appeals.
- 4. <u>Rental Inspection</u> is a new division created in FY2009. Its purpose is to specifically account for revenues and expenditures related to the proposed Rental Inspection Program.

¹ Position funded through federal grant program

FY2008 Departmental Accomplishments

- Completed initial and second "Top 75" problem properties through Enhanced Property Maintenance Program and began working on third set of 75;
- □ Implemented new residential design requirements with Design Review Committee;
- Updated zoning in four (4) residential neighborhoods;
- Created new Residential Conservation zoning districts for older neighborhoods;
- Continued implementation of East Lincoln Highway Plan, including administration of ISTEA and EDI grants and preliminary engineering of streetscape improvements;
- Assisted with the initiation of the Downtown Redevelopment Plan;
- ☐ Finished and adopted the Pearl Street neighborhood revitalization plan;

FY2009 Departmental Initiatives

The Community Development Department will undertake the following action items for the upcoming fiscal year as identified by the City Council's adopted Strategic Goals:

Strategic Goal #1: Encourage Actions to Continue Downtown's Role as the Viable Heart of the Community

- Assist with the implementation of the downtown redevelopment plan;
- □ Participate in the redevelopment projects of "Renew DeKalb, Inc.";
- □ Adopt Hybrid Code for Downtown;
- □ Adopt and Begin implementation of Pearl Street Plan.

Strategic Goal #2: Coordinate Activities and Pursue Opportunities of Mutual Interest between the City and all of its Public Partners

- Continue school district involvement in plan review process;
- Continue to work with School District and Park District on long term facilities needs and planning;
- Implement recently adopted impact fees through implementation of annexation and development agreements;
- Continue to monitor impact fees.

Strategic Goal #3: Continue to Support Projects and Programs that Improve the City's Appearance, Neighborhoods, and Quality of Life

- Begin implementation of Pearl Street Plan including cleanup of brownfield areas;
- Prepare updates on completion or status of other neighborhood plans;
- □ Transition targeted enforcement activities to commercial corridors.

Strategic Goal #4: Ensure that there are Fulfilling Work and Job Opportunities for all of DeKalb's Residents

 Continue to cooperate with developers for the strategic development and/or redevelopment of commercial and industrial properties.

Strategic Goal #5: Develop a Transportation System to Enhance Mobility for People & Products

 Continue to coordinate and administer the DeKalb-Sycamore Area Transportation System's adopted transportation improvement plans and programs.

Strategic Goal #6: Enhance the Quality of Life in DeKalb's Established Neighborhoods

- □ Implement Rental Inspection and Crime Free Housing Program;
- □ Increase public info and outreach through brochures and neighborhood meetings;
- □ Implement "Existing Building" code to encourage rehabs of older buildings;
- □ Complete residential neighborhood rezoning program;
- □ Continue to streamline and improve existing inspection and licensing programs;

Strategic Goal #7: Continue to Improve & Build on the City's Reputation as a Leading Community in the Region

- □ Implement Rental Inspection and Crime Free Housing Program and other new housing quality initiatives;
- □ Continue to implement Annexation and Development Agreements which provide for the highest standards of new development in the region.

Additional Operational Initiatives

- □ Review and reevaluate ISO rating;
- □ Update licensing requirements and procedures in the Municipal Code that pertain to Building Division activities;
- □ Transition enhanced property maintenance program from target neighborhoods to major corridors.

FY2008 Department Accomplishments

- Provided technical support and inspection of residential and commercial projects such as Nehring expansion, Park 88 Lot 9, Glidden Crossing (Schnuck's), and South Pointe Greens Unit II
- Coordinated construction of watermain moves near RTE 38 Bridge
- Continued a multi-year alley and sidewalk replacement program for TIF areas
- Restriped downtown streets to add angle parking
- Completed construction for the North portion of Annie Glidden Road widening improvements between Highpointe Drive and Route 38 and most of the construction for the second phase from Highpointe Drive to Bellevue Drive
- Managed capital improvement projects of one million dollars including alley repairs, sidewalk replacement, TIF Street Maintenance, general striping, and patching
- □ Implemented railroad quiet zone, August 2007
- Completed design of Bethany Road widening project, East of N. 1st Street and started construction
- Responded to August 2007 flooding and made application for FEMA buyout funds
- Completed design of Fairview Drive Bridge Replacement, acquired 3 parcels of right-of-way and started construction
- Undertook design of the East Lincoln Highway Traffic Enhancement project East of 4th Street

 Applied for and was approved for FY-2012 Illinois Bridge Replacement Grant funds for Bethany Road Bridge

FY2009 Departmental Initiatives

The Engineering Department will undertake the following action items for the upcoming fiscal year as identified by the City Council's adopted Strategic Goals:

Strategic Goal #1: Encourage Actions to Continue Downtown's Role as the Viable Heart of the Community

 Coordinate with consultants for capital improvements for upgrading Downtown such as Lot 4, Locust Street and East Lincoln Highway; complete demolition of City acquisitions

Strategic Goal #2: Coordinate Activities and Pursue Opportunities of Mutual Interest between the City and its Educational Partners of NIU and the DeKalb School District

- Continue cooperation on fiber optics; coordinate with NIU contractors for traffic changes for central campus chillers and Lucinda brick replacement
- Coordinate with School District for transportation improvements to support the new Dresser Road High School

Strategic Goal #3: Continue to Support Projects and Programs that Improve the City's Appearance

- ☐ Implement streetscape construction on E. Lincoln Highway East of 4th Street and lighting upgrades as part of the IDOT Enhancement Grant project
- □ Construct a pocket park at 300 Block of East Lincoln Highway
- □ Annually update the 5-Year Capital Plan

Strategic Goal #4: Ensure that there are Fulfilling Work and Job Opportunities for all of DeKalb's Residents

☐ Assist with Commercial development such as NBT Square, Airport commercial corner (Pleasant/Peace) and Peace Road corridor (Shodeen)

Strategic Goal #5: Develop a Transportation System to Enhance Mobility for People & Products

Ш	begin design studies for reace kodd widening South of riedsant Street
	Continue cooperation with other agencies for the west arterial extension from
	Twombly Road to Route 38

Strategic Goal #6: Enhance the Quality of Life in DeKalb's Established Neighborhoods

- Continue alley and sidewalk programs
- Complete Dodge/Orr Farm stormwater improvement project with Park 88
 Industrial development
- Complete Pleasant Street watershed improvements
- □ Seek out grants for flooded home buyouts
- □ Complete Fairview Bridge reconstruction

.	Investigate and implement if feasible an East Lincoln Highway road diet narrowing from 10^{th} to Peace Road
_	jic Goal #7: Continue to Improve & Build on the City's Reputation as a Leading unity in the Region
	Investigate regional bikepath extension opportunities
	Phase in upgrades of new traffic signal controller
A	dditional Operational Initiatives
ב	Continue neighborhood sidewalk and alley program for TIF areas and Greek Row
_	Construct annual street maintenance patching, crack filling and striping program
	and utilize new gas tax funds
ב	Use Federal funds to finish construction of Bethany Road widening and Fairview
	Drive Bridge Replacement
3	Assist Community Development Department with East Lincoln Highway corridor and complete street concepts for bicycle accommodations
_	Coordinate with other planned development of Park 88 Industrial Park and NBT
	Square
]	Work with all Departments and ReNew DeKalb for review and construction
	implementation of Downtown upgrades for additional parking, street tree
_	placement, and city building demolitions.
	Assist MPO with traffic corridor planning Assist Police and Public Works Departments for implementation of new Police
_	Station
_	Determine best upgrade phasing of new traffic signal controller technology
_	Work with Stormwater Task Force Committee to determine worthy storm system
	upgrades to fund and determine a reoccurring funding source

Development Services Fund

This fund was established in FY2005 as a new "enterprise fund" for DeKalb with the goal of being entirely self-supporting without General Fund assistance. Its purpose is to provide inspection and plan review services primarily in support of new development in the community.

The fund has three staff members: the Project Implementation Engineer, an Engineering Aide, and the Plumbing Inspector. A Development Services fee effective April 1, 2005 supports salary, benefits and non-personnel costs associated with these three positions funded with revenues generated through Plumbing and Sewer Permits, Motor Fuel Tax monies, a \$200 surcharge on each residential inspection, \$50 on each residential plan review, and commercial and industrial plan review fees.

TOTAL	3	3	3

FY2008 Department Accomplishments

- Completed inspection assistance of the Downtown Wayside Horns Quiet Zone
- Completed construction of the Fairview Drive at Annie Glidden Road traffic signal
- Completed construction inspection of South 1st Street overlay and paved shoulder project
- Began construction management of South Annie Glidden Road widening
- Processed residential land alteration permits and plumbing inspections
- Completed the annual MFT street maintenance project

FY2009 Departmental Initiatives

- Complete construction management of MFT Capital projects for \$1.6 million construction of Bethany Road and \$1.9 million construction of Fairview Bridge replacement
- Continue residential and commercial plan reviews
- Complete the next year of the multi-year MFT street maintenance program
- Assist with inspection of East Lincoln Highway Streetscape improvements from 4th to 11th

General Fund Support

General Fund Support is a compilation of expenditures common to the entire organization. As such, allocations by individual departments or programs would not be illustrative and include such areas as employee functions, debt service payments, postage, and other types of miscellaneous expenditures.

For FY2009 the following expenditures have been budgeted:

Acct	Description	Amount	Purpose
8101	REGULAR SALARIES	1 <i>75</i> ,000	Employee Payouts on Separation
8103	PART TIME & TEMPORARY	16,333	Downtown Maintenance Personnel
8171	FICA	5,624	Social Security & Medicare contributions
8173	IMRF	3,090	IL Municipal Retirement Fund contribution
8202	PRINTED MATERIALS	24,700	City Stationary & Miscellaneous Printings
8245	GAS, OIL, & ANTIFREEZE	100,000	VAC, Park District, CLC

Self-Funded Insurances (Funds 25 - 26 - 27)

The City of DeKalb has maintained its own self-funded insurance system from FY1993 through FY2008 for employee health insurance (Fund 26) and property liability (Fund 27). Effective January 1, 2008, the City changed to a pooled insurance arrangement by joining the Intergovernmental Personnel Benefits Cooperative for employee health insurance. In FY1994 the City became self-insured for workers compensation claims (Fund 25). These are jointly administered and monitored by the City Manager's Office, Human Resources Division and Legal Department. In FY2009, the City will expend approximately \$5.7 million for its various insurances.

Workers Compensation - Fund 25

This fund pays for all medical treatment, disability payments, and settlement costs associated with claims filed by employees who are injured on the job. The City has no excess or "umbrella" insurance coverage provided by private carriers.

The fund has and continues to operate on a deficit basis. This is partly due to a number of older claims finally reaching closure over the last two years which has depleted all cash reserves. It is also partly due to inadequate funds being available to pay off these older claims and at the same time pay current obligations. While not of immediate cause for concern, it is an area that must be addressed in near future budgets.

Ending Fund Balance	(\$998,495)	(\$862,784)	(\$986,263)	(\$958,475)

	FY 2007 Actual	FY 2008 Budget	FY 2008 Estimate	FY 2009 Budget
Fund 25 - Workers Compensation				

Health Insurance - Fund 26

The City provides comprehensive medical and dental coverage to its employees, their dependents, retirees and elected officials. Active employees in AFSCME, FOP and Management pay two percent of their base wage for single coverage and an additional two percent for family coverage if desired (four percent total). Active employees in IAFF pay three percent of their base wage for single coverage and an additional two percent for family coverage if desired (five percent total). Eligible retirees have a premium co-pay currently set at \$175 per month for single coverage and \$460 per month for member plus dependent(s) coverage, per the City's retiree insurance program. City Council members electing health insurance pay two percent of their base wage for single coverage, plus 50% of the retiree rate for dependent(s) coverage, as set forth by City Ordinance #04-81.

As of January 1st, 2008 the City joined the Intergovernmental Personnel Benefits Cooperative (IPBC), which is a pooled arrangement with other Illinois communities for providing health insurance. This allowed the City to budget for known monthly payments to the IPBC, rather than funding for payment of all health claims as a fully self-insured entity, and IPBC will notify the City prior to the beginning of the next Plan year (beginning July 1st, 2009) of the increase it may realize through the IPBC pool.

There are no additional administration fees through the IPBC, except for Section 125/Flexible Spending which has been show on a separate line in the FY09 budget.

Property Liability Fund - Fund 27

This fund pays for costs incurred as a result of accidents involving City property or employees, and/or in settlement of lawsuits brought against the City. The City carries no specific coverage for these types of claims, but does maintain standard insurance coverage for its buildings and contents, non-licensed vehicles and equipment, and boiler.

Economic Development Fund (Fund 46)

The Economic Development Fund accounts for our agreements with outside agencies that help provide various economic development functions on behalf of the City. These agencies are paid through the Hotel/Motel revenue the City receives.

For FY2009 the following expenditures have been budgeted:

Acct	Description	Amount	Purpose
8343	DEVELOPMENTAL SERVICES	72,000	DALEY POLICY GROUP
8343	DEVELOPMENTAL SERVICES	42,500	DCEDC
8343	DEVELOPMENTAL SERVICES	50,000	RENEW DEKALB
8343	DEVELOPMENTAL SERVICES	50,000	CHAMBER OF COMMERCE

Refuse & Recycling Fund (Fund 47)

The Refuse & Recycling Fund provides for the efficient collection, processing and disposal of refuse, landscape waste, and recyclables for DeKalb residents. The City has a 5 year agreement with Waste Management West for these services that will expire in June 2009. As part of this agreement, Waste Management provides free refuse and recycling pick up for local homeowners who participate in the City's Senior Citizen Utility Assistance Program (see" Legislative Department – General Fund"). It also provides landscape waste dumpsters for general community use to the City at no charge at Fire Station #2, Fire Station #3, and East Pleasant Street.

Transportation Fund

(Fund 61)

Formerly the Mass Transit Fund, the scope of the Transportation Fund was expanded in FY 2004 to include the revenues and expenditures associated with the provision of transit services to the DeKalb area and the management of the DeKalb-Sycamore Area Transportation Study (DSATS), the Metropolitan Planning Organization (MPO) for the area.

Transit Services

With the designation of the DeKalb-Sycamore area as an urban center by the 2000 U.S. Census, the area is eligible to receive Federal Section 5307 transit funds, which are administered through the Federal Transit Administration, and Downstate Operating Assistance Funding from the Illinois Department of Transportation. The City uses these grant funds to contract with Voluntary Action Center (VAC) to provide transportation services, which include demand-response transit for local elderly and disabled low-income residents, and a Additionally, the two entities also jointly sponsor a general local route system for DeKalb referred to as the "Green Line" that provides 14 hours of daily service to local residents and encompasses 45 different bus stops.

In FY 2008, the City purchased dispatch software for VAC, and DSATS Staff managed a variety of grant programs, as well as conducted a RFP process for the selection of a third-party transit provider, in accordance with federal requirements.

Metropolitan Planning Organization

The DeKalb-Sycamore's urban designation also required the creation of the DeKalb-Sycamore Area Transportation Study (DSATS), a Metropolitan Planning Organization

(MPO) charged with providing regional transportation planning assistance to the area. The City of DeKalb serves as the lead agency and fiscal agent for the MPO program, which is housed and staffed by the Community Development Department. Each year, the MPO receives federal planning funds to support the MPO program. This grant supports a full-time (1.0 FTE) Transportation Planner and a part-time (0.35 FTE) Acting Director, which is staffed by the Community Development Director. In FY 2009, a part-time (0.5 FTE) graduate intern is also supported.

Activities in FY 2009 will focus on continued management of the MPO program, including regular updates to the Transportation Improvement Program (TIP), which establishes the priorities for the use of federal transportation funds in the DeKalb-Sycamore area. The passage of new federal transportation legislation in FY 2008 will necessitate retaining consultant assistance to complete updates to various Plans and Policies created by DSATS and required by the MPO legislation.

FY 2008 Accomplishments

- (Completed	l updates [.]	to the Int	elligent Tro	ansportation :	System	(ITS)	Plan;
------------	-----------	------------------------	------------	--------------	----------------	--------	-------	-------

- Completed the development of an updated scheduling system for VAC;
- □ Started a feasibility study/needs assessment for a new regional transit facility
- Continued implementation of the Transit Development Plan recommendations, including determining feasibility of evenings/weekends service, and extended service to the Elburn Metra Station;
- Began a corridor study for the (Sycamore-Cortland) Airport Road Extension;
- □ Completed a Human Services Transportation Plan;
- Completed the FTA Tri-Ennial Review with minimal findings.

FY 2009 Goals

- Continue to monitor changes in Federal and State legislation and react with updates to Plans and Policies as necessary;
- □ Create a Traffic Modeling Program for the DSATS Region;
- Monitor and Apply for JARC and New Freedoms grants as may be required to support transit;
- ☐ Finish Feasibility Study for Regional Transit Facility;
- ☐ Finish East DeKalb Corridor (Airport Road) Plan;
- ☐ Monitor, Prepare and/or Update Plans and Policies as required.

Special Service Area Funds (Funds 81-82-83)

The City administers three operational Special Services Areas designated to pay the costs of various public maintenance and utility items. They are 1) Heritage Ridge Subdivision Special Service Area #3 created in 1990 for the residential subdivision located at the southeast corner of Fairview Drive and First Street. It pays costs of maintaining various public areas (street islands and detention basins) and provides for a stylized streetlighting system and entrance sign; 2) Knolls at Prairie Creek Subdivision SSA #4 was created in 1994 for the residential subdivision on the west side of Annie Glidden Road between Lincoln Highway and Taylor Street. It also pays the additional costs of maintaining various public areas and provides for a stylized streetlighting system and entrance sign; and, 3) The Greek Row Special Service Area #6 which was created in 2004 to finance electrical costs of streetlighting placed upon private properties that benefits the neighborhood.

Police Pension Fund (Fund 93)

Fire Pension Fund (Fund 95)

The Police and Fire Pension Funds account for the financial administration of these two programs, which are governed by Illinois State Statute. Revenue sources come primarily from property taxes, investment earnings, and withholdings from the payroll checks of active Police and Fire Department personnel. Expenditures go to pay for retiree pensions, financial management fees, audit costs, and other miscellaneous items. Each Board directs their own affairs and meets quarterly with special meetings as needed

The Boards are comprised of five members each. Two are appointed by the Mayor, two are elected from the regular police force, and one is elected by and from the fund's beneficiaries.

Foreign Fire Insurance Tax (Fund 94)

The Foreign Fire Insurance Tax Fund was created in 1992 by the City Council in compliance with applicable state statute provisions.

A two- percent tax is imposed on the gross receipts of the fire insurance premiums on property located in the City provided by insurance companies not located within Illinois. These taxes, along with similar taxes imposed by most Illinois municipalities, are collected by the state and distributed to municipalities on a per capita basis. By ordinance, the Foreign Fire Insurance Tax Board members are elected by the Fire Department from among its members. This board is empowered to expend Foreign Fire Insurance Tax proceeds for the "maintenance, benefit, and use of the Fire Department." This board cannot expend tax proceeds for projects not given budget approval by the City Council. The City Council cannot authorize the expenditures of these tax proceeds for projects not approved by the Board. Consequently, the system required the City Council and the Board to mutually agree on the expenditures.

Typical expenditures have included uniform items for new departmental employees; facilitating with department photographs; support of the "Care Bear" program; and purchase of physical fitness and furniture items for the fire stations.

<u>DeKalb Public Library</u> (Fund 99)

The mission of the DeKalb Public Library is to inform, educate, inspire and entertain the residents of the community. To fulfill this mission, the Library offers citizens of all ages access to a strong, organized collection of accurate and timely media. The Library emphasizes books, periodicals, audiovisual, and electronic resources that contribute to the dissemination of knowledge, to formal and informal education, the pleasurable use of leisure time, and to the general enrichment of life.

The Library offers a collection of books, videos, CD music and audio book recordings and subscribes to many periodicals. A computer system provides linkage to other libraries and facilitates access to other resources.

Housing Rehabilitation

Community Development Block Grant

Capital Projects Fund (Fund 32)

This Fund serves as the City's principal fund for general infrastructure improvements including street (re) construction, stormwater management, public buildings, streetlighting, sidewalk repairs, as well as the purchase of vehicles and equipment. It's primary source of revenue is rental income derived from cell tower leases and from the intergovernmental agreement with DeKalb County for the former County Nursing Home property.

Additionally, the City enacted three new impact fees in FY2006 that will also generate revenues for the City's capital needs. These are the: 1) Public Building Contribution Fees of \$1000 per dwelling unit for all property annexed after 01/01/06 which allows the City to renovate, expand and/or construct municipal facilities including fire and police stations, City Hall, Public Works buildings, and similar facilities; 2) Traffic Impact Fees of \$1200 per dwelling unit for all property annexed after 01/01/06 to provide capital money for traffic improvements including street (re)construction, signalization and other intersection improvements, and; 3) Annexation Fees which are a flat per-acre fee of \$1000 intended to help recoup the expenses of capital and staffing that the City incurs as a result of new development and is earmarked for redevelopment efforts in older areas of the City, or for similar neighborhood planning efforts.

Motor Fuel Tax Fund (Fund 62)

The City receives a per capita allotment of Illinois Motor Fuel Tax (MFT) revenues on a monthly basis from a State tax on gasoline purchases. These funds can be used only for various street maintenance and improvement projects, and related costs as set forth by the State of Illinois. Annual MFT allotments to the City are approximately \$1.25 million and are used for the annual maintenance program, design and partial construction of various capital projects, as well as streetlighting, salt purchase and street operations.

FY2008 Accomplishments

- Completed \$114,000 in contract maintenance for street patching, curb repair, and striping
- □ Expended \$346,000 for street lighting charges and \$340,000 for street sweeping and road salt, by city crews
- Construction completed on Annie Glidden Road widening, railroad underpass to Bellevue Drive.
- Finished design of Fairview Drive Bridge Replacement and started construction
- ☐ Used some consultant assistance for Annie Glidden Road to supplement city inspectors to keep project on schedule
- □ Completed Bethany Road widening design and started construction

FY2009 Goals

- □ \$528,000 budgeted for salt purchases, street lighting electrical charges and miscellaneous city crew maintenance of signals, and street sweeping (transfer to General Fund)
- ☐ MFT Development Services funding in the amount of \$90,000 (transfer for portion of two Engineering Department personnel
- □ Complete Annie Glidden Road Phase 2 widening between Bellevue Drive and Highpointe Drive
- □ Complete construction on Fairview Drive Bridge Replacement
- □ Complete construction of Bethany Road widening east of North First Street
- □ Start engineering design studies for Peace Road widening from Pleasant Street to Route 38
- □ Complete biennial bridge inspections on 5 bridges

<u>Tax Increment Finance District No. 1</u> (Fund 63)

The City created a Sales & Property Tax Increment Finance District ("TIF District") in 1986 to undertake redevelopment activities in the downtown and central areas of the community. With the new 12 year extension of the TIF, the property tax portion will expire in FY2020 while the sales tax portion will expire in FY2013. For FY2009, the following projects/programs will be undertaken:

Fund 63 - TIF District No. 1

Tax Increment Finance District No. 2 (Fund 66)

The City created its second Tax Increment Finance District ("TIF District") in 1995 to undertake redevelopment activities in the south central area of the community, south of downtown and north of Taylor Street. The creations of this district allows the City to capture incremental increases in the property tax revenues accrued from the increase in the district's equalized assessed valuation.

This TIF District is 387 acres in size, is developed with 913 main structures and comprises five percent of the total land area inside the City limits. This District has an effective live of 23 years and will expire in 2018. FY2009 projects include continued funding support to Barb City Manor for building renovations, area-wide alley and sidewalk improvements, and various repairs to the Municipal Building.

Housing Rehabilitation Fund (Fund 67)

Beginning in the later 1970's and continuing through 1983, the City received various federal and state grants that were used to make geographically targeted housing rehabilitation loans and grants to income-qualified properties. Through this fund, the City has been able to assist over 300 property owners throughout the community.

The City has also addressed other housing-related needs of the community, including those pertaining to certain special population groups, property maintenance, code enforcement and nuisance abatement-concerns. These monies may only be used for housing-related type activities that meet one or more of the federally-mandated objectives of 1) aiding in the prevention or elimination of slums and blight; 2) provision of safe, standard and affordable housing for all residents; 3) benefiting low and moderate income persons; and, 4) meeting other community development needs that pose a serious immediate threat to the health and welfare of the community.

For each activity funded in whole or in part with these monies, a minimum of 70 percent of the residents being served must be of low and moderate income. Fund 67 is used as the repository for all monies received as loan repayments from this program as well as those generated in Fund 72 (CDBG Fund). As noted, these dollars carry with them substantial restrictions on their reuse and cannot be commingled with any other City or state revenues.

County Home TIF District (Fund 71)

As part of an intergovernmental agreement with DeKalb County, the City created its fourth Tax Increment Finance District ("TIF District") in FY2000 to facilitate the redevelopment of the former DeKalb County Nursing Home on Sycamore Road. The structure was demolished and the site cleared by the close of FY2000. Construction of 101,500 square feet of new retail development was initiated during FY2001 and substantially completed in FY2002, with stores opening for business in October 2001. Two out lots remain for future development.

This TIF District is 16 acres in size, and consists of two separate parcels. The parcel fronting Sycamore Road is the area for new commercial growth. The rear parcel remains under the jurisdiction of the DeKalb County Forest Preserve and provides stormwater management for the overall site. This District has an effective life of 23 years and has a base year of 1998. However, by terms of the intergovernmental agreement, once the District has generated adequate incremental revenue to reimburse the City for its expenses in establishing the District, the District will be terminated. It is anticipated this will occur in FY2010.

Community Development Block Grant Fund (Fund 72)

In April 1993, the U.S. Bureau of the Census notified the City that DeKalb County was now considered to be part of the Chicago primary metropolitan statistical area ("PMSA"). The PMSA designation enabled DeKalb, as the largest municipality within the County, to be considered by the U.S. Department of Housing & Urban Development (HUD) as be an "entitlement community" eligible to receive direct funding through the Community Development Block Grant Program on an annual basis. These monies are subject to annual federal appropriation.

FY2008 Accomplishments

- Assisted 7 families through the First Time Homebuyer's Program
- □ Completed 32 single-family housing rehabilitation grants
- Provided supplemental grants to 13 social service agencies
- □ Completed implementation of the Pleasant Street Area Revitalization Plan.
- Continued implementation of the Greek Row Area Revitalization Plan.
- Continued implementation of the East Lincoln Highway Revitalization Plan.

FY2009 Goals

- □ Continue the First-Time Homebuyers Program.
- Continue the Single-Family Owner-Occupied Housing Rehabilitation Program.
- Continue the implementation of the Greek Row Area Revitalization Plan.
- Provide supplemental grants to social service agencies.
- Begin implementation of the Pearl Street Revitalization Plan.

Debt Service Funds

General Fund TIF

General Fund Debt Service Fund (Fund 220)

TIF Fund Debt Service Fund (Fund 225)

These funds have been created in response to GASB Statement 34, which allowed the City to combine its multiple debt service funds into two central funds. It is through these funds the City pays all its outstanding bond obligations for various public improvements completed throughout DeKalb.

The City also pays bond debt service through 2 of its enterprise funds: the Water Fund (40) and Airport Fund (48).

Engineering Aide Trainee	1	Public Works Maintenance	5
Community Service Officers	3	Public Works Seasonal Maintenance	3

FICA (Social Security: All employees except most sworn Police and Fire personnel)

City pays 6.2%; employee pays 6.2% of gross pay for retirement.

City pays 1.45%; employee pays 1.45% of gross pay for Medicare; paid on sworn police and fire personnel hired after April 1, 1988.

Illinois Municipal Retirement Fund (IMRF)

AFSCME, Management, and Part-time employees except for Fire and Police employees. The City will fund 13.83% of individual's gross IMRF wages during Calendar year 2008, with a slight decrease to 13.29% is estimated for Calendar year 2009. Employees remain paying 4.5% of gross pay.

Fire Pension (including Fire Chief)

City currently pays \$1,369,761 per year based on actuarial calculations; employee pays 9.455% of gross pay. For FY09, the City will be expected to pay \$1,526,469.

Police Pension (including Police Chief)

City Currently pays \$863,331 per year based on actuarial calculations; employee pays 9.91% of gross pay. For FY09, the City will be expected pay \$864,215 per year.

Workers Compensation

On December 14, 1993, the City converted to self-funded workers compensation insurance coverage. For the twelfth full year of operations under this fund, for FY 2009 the City will budget \$450,000 for the payment of claims, and \$29,000 for the services of a third-party claims administrator. As of Fiscal Year 2003, the City dropped reinsurance for workers compensation and it became a totally self-insured fund.

Health/Dental Insurance

Since FY1993, the City was self-funded for health/dental/prescription insurance. In FY2008, the City became a member of the Intergovernmental Personnel Benefits Cooperative, giving a pricing advantage due to the large number of participants in the IPBC pool from 48 municipalities.

The total health insurance costs are found in Fund 26. Beginning January 1, 2008, the City will pay a monthly premium to IPBC, rather than budgeting to fund all claims costs as it was with the previous fully self-funded insurance coverage. The current pricing agreement extends through June 2009, and new funding numbers will be assessed and for FY2010.

As of Fiscal Year 1994, a Wellness allowance of \$250 for employees carrying single coverage and \$500 for employees carrying dependent coverage, was implemented with the approval of the City Council. Effective January 2008, due to the new health provider not being able to process some preventative items the City allows (i.e. health club membership 50% refunded, smoking cessation, and weight loss programs), the City extended the Wellness Program to give employees carrying single coverage and additional \$250, and those carrying family coverage an additional \$500 to cover these preventative benefits that would have been lost through IPBC processing. The Wellness

allowances are intended to assist employees with the cost of maintaining their health through preventative care and programs, thus reducing the number of major medical claims against the self-funded health insurance account.

Employee contributions for single and dependent health insurance coverage are currently set by Union Bargaining Agreements or Chapter 3 of the Municipal Code.
