The DeKalb Police Department announces Distracted Driving Enforcement Results

The DeKalb Police Department announced it issued 9 citations for hands-free law violations and 20 other citations during April's Distracted Driving Awareness Month enforcement campaign.

"This increased enforcement was implemented to help motorists avoid the often-deadly consequences of distracted driving with a simple reminder: Put the Phone Away or Pay."

The DeKalb Police Department joined forces with the Illinois State Police, local law enforcement, and highway safety partners for this enforcement effort.

The Illinois distracted driving campaign is funded with federal traffic safety funds administered by the Illinois Department of Transportation.
