[NOTICE: This message originated outside of the City Of DeKalb mail system -- DO NOT CLICK on links or open attachments unless you are sure the content is safe.]

Hi Stephanie,

The total loss valuation is attached and breakdown below. To expedite this matter, we will need to secure the properly executed title to resolve the total loss settlement and process the salvage. Additionally, you will want to have the personal effects items removed; any police equipment they would be transferring to a new or replacement vehicle; and the license plates from the vehicle. Once this is completed, I will be in a position to assign Copart (salvage buyer) to pick up the vehicle. Call or email with any questions or additional information.
