### **Responsibilities and Restrictions**

Due to the location of Frank VanBuer Plaza and the occasional unpredictable high wind gusts, a total of 100 pounds in weights will be required to be secured to any tent or umbrella of any kind set up during the event. Affixing tents, umbrellas, or any other device via ground stakes or any other method that requires propelling objects into the brick surface is strictly prohibited.

No permits will be issued for the Frank VanBuer Plaza for events associated with carnivals, amusement rides, live animal displays, or the operation of motor vehicles.

Each permittee will be responsible for the prompt collection and removal of all litter, food scraps, and any other debris or garbage generated by the serving of food and beverages.

Vendors are responsible for obtaining individual City of DeKalb Itinerant Merchant permits, DeKalb County Health Permits, and collecting and paying all state and local sales tax.

Vendors are not permitted to yell, taunt, or aggressively pursue sales with customers, vendors or event staff.

All vendor vehicles not used in the event should be parked in the nearby 12 hour lots to allow patrons to have primary access to optimal parking spaces.

The issuance of an Encroachment Permit does not exempt the holder of the permit from the obligation to abide by all sound regulations set forth in Chapter 52. In no event shall the hours of live and/or amplified sound entertainment activities extend beyond 10:00 p.m. on Sunday through Thursday and beyond 11:00 p.m. on Friday and Saturday.

The undersigned hereby states that information contained in this application is true to the best of his/her knowledge and that all statements set forth are of his/her own free will. The undersigned applicant agrees to pay any and all expenses, including compensation for damages, caused by the event encroachment and that will indemnify and hold harmless the City from any action, proceeding or claim of liability asserted against the City resulting from the event encroachment or from the issuance of the event encroachment permit.
