Dear Local Official:

We have received Annexation Ordinance No. 2022-037 annexing real estate into the corporate limits of the City of DeKalb.

If any business activity is conducted on the annexed property, please contact IDOR immediately in order to ensure the proper registration of the business and allocation of any applicable Illinois sales tax.

The United States Census Bureau (Census Bureau) reports population by a block or tract of land. Due to confidentiality, they cannot report population on an individual address. Therefore, unless the territory you have annexed is the entire block or tract of land as reported by the Census Bureau, the county will not be able to verify the number of residents within the territory that was annexed, as required by the State Revenue Sharing Act.

If the annexed territory does not meet the above standards, we cannot adjust your population count until the next decennial census or until your municipality has a special census completed by the Census Bureau.

If you need additional information or have questions, please contact us either directly through MyLocalTax, or at the contact information listed below.
