## RFP Questions

Proposal Question 6/24/25

- Please confirm if a performance bond is required for this project? RFP notes requirements for construction bids in excess of \$100,000 – however, since this procurement is not construction related are there any bonding requirements?

**City Response (6/24/25): The City requires a performance bond for this contract. The PROPOSER will be required to obtain a performance bond to protect the City's interest.**

**Revision (7/1/25): After review, the City's requirement for surety on this contract has been revised to the following:**

- **A performance bond or letter of credit in the amount of 50% of the first-year contract shall be furnished.**
