TRANSPORTATION STUDY'S (DSATS) TRANSPORTATION IMPROVEMENT
PROGRAM (TIP) FY10-14 UPDATE; UNIFIED PLANNING WORK PROGRAM
(UPWP) for FY10; and PUBLIC PARTICIPATION PLAN for FY10**

The DeKalb-Sycamore Area Transportation Study is the metropolitan planning organization for all or portions of the City of DeKalb, the City of Sycamore, the Town of Cortland, and DeKalb County. The DSATS Transportation Improvement Program (TIP) FY10-14 Update, Unified Planning Work Program (UPWP) for FY10, and Public Participation Plan (PPP) for FY10 will be available for public review and comment from **Friday, May 1, 2009 to Monday, June 15, 2009**.

The TIP represents planned transportation improvements for Fiscal Years 2010-2014. The TIP is a short-range capital improvements program outlining a 4-year schedule of projects that have been locally approved by DSATS to receive federal funding. The DSATS TIP also includes some of the projects funded (or expected to be funded) by the Illinois Department of Transportation, local jurisdictions, and other funding sources. Local funds can include funding from the state, municipalities, counties, and transportation providers.

The purpose of the UPWP is to establish the activities and planning projects that the DeKalb-Sycamore Area Transportation Study (DSATS) intends to accomplish during the specified fiscal year.

The Public Participation Plan ensures an equitable public participation process and outlines specific public participation policies and procedures for the DeKalb-Sycamore Area Transportation Study.

The public involvement procedures used in the development of the TIP, UPWP, and PPP satisfy the program-of-project requirements of Section 5307. The documents are available at the following locations:
