Call Julie at 1-800-892-0123 (operates 24 hours a day, 365 days a year)

## STREET & PUBLIC RIGHT OF WAY REPAIR AGREEMENT

I, the undersigned, hereby accept the responsibility for the repair and proper restoration of any damage within the right-of-way caused by the excavation at address below:

I understand that a condition of the issuance of this permit is that I will make immediate necessary permanent repairs within 21 days of the start of work, if the blacktop plant is in production. If the blacktop plant is not in production, I will complete temporary repairs within 21 days of the start of work and make permanent repairs within 21 days of the opening of the blacktop plant.

### The temporary repairs will consist of two choices:

- 1) The excavated area is plated until the permanent concrete patch is poured and has cured for three days then a temporary bituminous surface of 3" will be placed over the entire patch.
- 2) The excavated area has a temporary bituminous surface of 3" is placed over road rock. I understand that I am to maintain the temporary patch until the permanent pavement patch has been completed.

**Permanent repairs will be as follows** (unless otherwise instructed): Street will be saw cut with square edges, (except for brick pavement), trench backfilled with limestone chips with bedding under pipes, to a depth 25" below street surface. Place 12" road rock (Base Course Type B, #6 or #8) followed by 10" of PC Concrete using tie bars into concrete street if exists. The final surface consisting of 3" bituminous concrete, State Mixture Class I or I-11 driveway if existing street is blacktop.

I will notify the City of DeKalb Engineering Division (815-748-2030) 24 hours in advance of the permanent pavement repairs so that an inspection can be scheduled.

Where existing curb is to be crossed, curb shall be saw cut to overlap trench by 18" on each side and removed. New curb will be tied into existing with #4 or #5 rebar with two (2) longitudinal reinforcing bars in curb. Sidewalk Construction- See City standards.

I also understand that a failure to comply with the terms of this agreement will subject me to a fine of \$25.00 for each day that an inadequate street repair exists after the 21-day grace period or other approved extension.

\*Right of Way includes highway, sidewalk, alley, or other publicly-owned common area.\*
