On 3/25/2016 7:15 AM, you received an email notification indicating that this project has been moved from advanced construction to current status in accordance with the following criteria:

- Apportionment or state contract ceiling are sufficient to meet project specifications.
- The project is financially active.

To date, we have not received notification that you have processed an Administrative Modification to reflect the current status of this project. Failure to provide this notification could result in the immediate withdrawal of the project from federal participation. Please give this matter your immediate attention.

Federal Project #: ACNHF-000V(072)  
State Job #: C-93-037-16  
TIP #: 236  
TIP FY: 16  
Location: IL23 @GROVE RD TO .2 MI S OF IL64; IL64 @ .4 \*\*  
Section #: (26,18CS,D1-BRS)I  
Contract #:  
Obligation #:

This Project is currently in Advanced Construction status due to one of the following conditions:

- At this time, the Illinois Department of Transportation considers specific apportionment or state contract ceiling insufficient to meet project specifications.

The Advanced Construction status of this project must be reflected in your TIP in order to be eligible for federal reimbursement at a later date. Please process an administrative modification to reflect this change in status. Failure to do so may jeopardize future federal funding for this project.
